

TOURNOI DES SONNEURS

Samedi 21 mai 2022

The Ardenne Rugby club is very happy and honored to welcome you to its first "Sonneurs" tournament. You will find below all the practical and useful information to allow you to organize yourself at best and thus contribute to the success of this tournament.

Tournament Philosophy

The "sonneurs" is a rugby tournament reserved for players in the U14 and U16 age categories. It is an amateur tournament that brings together clubs from different countries. The rules used are those of the Belgian Rugby Union. U6 matches will be played with tackle.

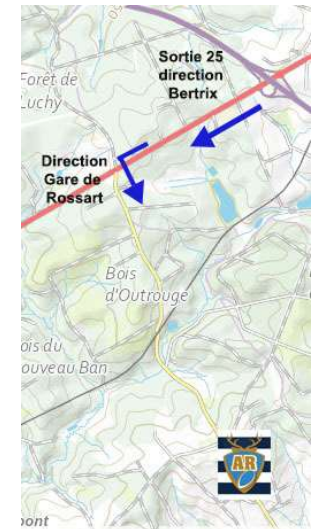

It is a tournament that is above all festive with friendliness and respect as guidelines.

For the number of players per team, it is the same as the rules of the federation. However, the tournament is intended to be friendly and we encourage agreements and loans from players.

Address of the day

Ardenne Rugby, 31 rue des Houppettes 6880 Rossart (Bertrix).

On arrival, for the smooth running, it is imperative to go through the aunt reception to validate the teams and the programming of the matches. Thank you.

End of the day

To close this sporting day in style, the AR's bar (name of our new club house) will welcome you, in an electro atmosphere, everyone is welcome. This is obviously an opportunity to continue to have fun and exchange differently but of course always under the responsibility of the supervisors of the different participating teams. As a reminder: alcohol prohibited under 16 years, a bracelet system will be organized for + 16.

Housing

Ardenne region as many know is a very touristic region that has many possibilities of accommodation (cottages, guest rooms, campsites...)

However, for those who wish, we provide a meadow for those who want to pitch their tent, for one night to extend their stay in our Ardenne. It is a meadow "scout 's style", bring your flashlights.

Please let us know how many tents you bring to prepare enough ground.

Regarding accommodation in the region, you can consult the Bertrix Tourism website

[Bertrix Tourisme — Bertrix - la Commune \(bertrix-tourisme.be\)](http://Bertrix Tourisme — Bertrix - la Commune (bertrix-tourisme.be))

Don't forget to take

To help our organization, we ask each club to come with one or two arbors of 4x4 m or 5x5 m. This will serve as a base camp during the day. Given the amount of players, the locker room will be reserved for girls... gallantry obliges.

Thank you for also thinking about taking your own warm-up equipment: balls, cushions, ... and identify it well.

In case of injuries, a first care service is provided on site nevertheless in case of hospitalization it is necessary that the person concerned is in possession of all the useful documents such as identity card, hospital insurance card, ...

General organization

In order to perfect the organization of the Tournament, we will ask you to send us, for the Wednesday preceding the day of the tournament, the attached form completed with your staff, number of accompanying persons, reservation of restoration and number of Arbor taken, etc.
